Dear Julian

Rapid Transit – Ashton Vale to Temple Meads

The South West Regional Assembly has recently submitted its RFA2 advice to the Regional Minister.

The RFA2 advice includes the Rapid Transit - Ashton Vale to Temple Meads scheme which has been programmed to start in 2011/12. The region continues to support this scheme within the RFA2 indicative programme as shown in the submitted RFA2 advice and supports the submission of the Major Scheme Business Case for the Rapid Transit route from Ashton Vale to Temple Meads.

Yours sincerely

C.R. Mitchell
