

West of England Local Enterprise Partnership Workshop
24th January 2011

PLACE WORKSHOP

Ralph Hawkins,
Development Director,
Barratt Homes Bristol Division

The Place Priorities

- To secure the improved transport, environmental and broadband infrastructure that our businesses and communities need
- To provide access to a range of employment land and premises
- To facilitate new housing and community infrastructure

The Private Sector Delivery Challenges

- A Strategic Plan for the LEP area as a whole which pulls together the 'Public Policy Framework'
- A prioritised Investment and Delivery Plan – LIP?
- Understanding the various Funding Streams available to the Private Sector
